

Housing Choice Voucher participants are encouraged to find units with rent and utilities close to the LHA target rent as determined by their voucher size. This keeps the tenant's rent portion affordable and means their rent and utility costs will be close to 27% - 30% of their income.

Target Rent– Effective February 1, 2010

| | Target Rent |
|------------|------------------------|
| SRO | \$306.00 |
| 0BR | \$409.00 |
